

The Spring Promotion is offered by MP Biomedicals is a way of rewarding customers or purchasers while the reward is a 20€/£20 “Amazon” voucher from 100€/£100 order or more or a 50€/50£ from a 300€/£300 order or more , or a box of chocolates “Maxim’s ”(box of 24 chocolates “Maxim’s de paris”) if an order is placed on www.mpbio.com. Amazon and Maxim’s are trademarks. MP Biomedicals and Amazon or Maxim’s have no interests in one or the other company.

To qualify to receive an “Amazon” voucher, the Purchaser must :

(a) place an order with MP Biomedicals £100 (UK); €100 (for EUR countries) or more in a single order and in the period of 1st April 2012 and 31st May 2012,

(b) add the word “Amazon” next to the name on the order. The offer is not valid for Standing Orders or Bulk orders and only qualifies for product listed in the tables.

The Promotion starts on 1st April 2012 and ends on the 31st May 2012.

To qualify to receive the box of chocolate “Maxim’s”, the Purchaser must :

(a) place an order on the web site (homepage) www.mpbio.com with MP Biomedicals for £50/€50 or more in a single order and in the period of 1st April 2012 and 31st May 2012.

(b) The name “boxmaxims” need to be added on the order, next to the name. The offer is not valid for Standing Orders or Bulk orders and only qualifies for product listed in the tables.

The Promotion starts on 1st April 2012 and ends on the 31st May 2012.

The maximum number of item per customer is one and there is no cash alternative to the Gift.

It is the responsibility of Purchaser to ensure that entering this Promotion does not conflict with internal rules and regulations within their organisation. In particular, and without limiting the foregoing, Purchaser warrants that his/her employers have full knowledge of their actions and have consented thereto. MP Biomedicals cannot be held responsible for any dispute within an organisation with regards to which individual should be allocated the Gift, nor to be held responsible for any defect in any Gift awarded.

If the Promotion is not capable of running as planned, including because of infection by computer virus, bugs, tampering, unauthorised intervention, fraud, technical failures, force major, or any other cause beyond the control of MP Biomedicals which may interfere or affect the administration, security, fairness, integrity or proper conduct of this Promotion, MP Biomedicals reserves the right, in its sole discretion, to cancel,

Any order to expedite your order, please include the following information:

Complete billing address, Complete shipping address, VAT Number (where applicable), Purchase order number, Contact name and telephone number, Catalog number and product name, Product quantity, Quotation number or promo code (where applicable), Any special shipping or packaging instructions (Unless a carrier or the terms of shipment are specified, the item(s) ordered will be shipped by the best available method.)

Orders may be submitted online at www.mpbio.com, by phone or fax. If your institution requires you to send a written order confirmation by mail or fax, please indicate clearly that the order is marked “Confirmation”. MP Biomedicals cannot be held responsible in cases where written confirming orders are not labeled properly and the order is duplicated.

All orders are subject to review by MP Biomedicals and additional information may be requested. MP Biomedicals reserves the right to refuse shipment of material to anyone.

MINIMUM ORDER

There is no minimum order requirement. However, orders received for less than € 50 (excl.VAT) (or £ 35.or CHF 80) will be charged with a administration and handling fee equal to the difference between the product value and the 50€ (or £ 35.or CHF 80). Furthermore, all standing and blanket orders are exempt from this policy.

DELIVERY

Orders for regularly stocked items are normally shipped the same business day by the most rapid and economical mode of transportation. In the event that an order specifies a non-regularly stocked item, or if, for any reason, we are unable to completely fill an order, a partial shipment will be made unless instructed otherwise. The customer will be notified immediately with an order acknowledgement of any unanticipated delay. Goods are always carried at the buyer's own risks.

FREIGHT CHARGES:

They will be added to the first invoice if a partial shipment will be made. If you have some specific request concerning the shipment or the packing of the goods, the extra cost will be billed to the buyer.

CONDITIONS OF SALE

Unless otherwise indicated, the products presented in this Promotion are for research and development, or manufacturing use only. They are NOT to be used as (or to manufacture) drugs or medical devices in order to diagnose, cure, mitigate, treat, or prevent diseases in humans or animals, either as part of an accepted course of therapy or in experimental clinical investigation. These products are NOT to be used as (or to manufacture) food, food additives or general household items. Although certain products may be used for investigational studies in animals, neither the animals used in such studies nor any of their edible products may be used as food for humans or other animals.

Nothing disclosed herein is to be construed as a recommendation to use any of MP Biomedicals products in violation of any patents. Furthermore, MP Biomedicals does NOT warrant that the product, either alone, or in combination with other products, is immune from charges of patent infringement. MP Biomedicals will not be held responsible for patent infringements or other violations that may occur from the use of any of its products. The information presented herein and the products offered are without warranty or guarantee since the ultimate conditions of use and the variability of materials treated are beyond our control.
